

Safeguarding Notice

Welcome to Buxton's Devonshire Dome.

The Devonshire Dome is not only a public building of architectural and historic interest, it is also a place of education and learning. Buxton & Leek College, as part of the University of Derby, provides education and training for young people, adults and apprentices. Therefore, we request that when you are visiting the Dome, you support us in safeguarding our students by adhering to the following when there are students or apprentices on campus:

- Please keep to the main Dome areas and do not enter or approach the teaching and learning areas which include the salons and kitchens when they are in use by students.
- We appreciate the support of the public in helping our students develop their skills and therefore you are able to make an appointment/reservation at the Spa, the Salons or Restaurant. If you have an appointment/reservation, please sign in at their reception when you arrive.
- To protect the safety of our students please do not take photos during the core hours where students are present.
- All visitors on business to the Dome must sign in at reception and wear the visitor lanyard whilst on campus.
- If you are visiting the Dome as a tourist please complete the visitors' book and wear the sticker provided on site.
- If you see or hear anything suspicious or of concern please report this to any member of staff.
- For further information about Safeguarding at Buxton & Leek College please see our website. (Please note apprentices attend college throughout the year and are not limited to term times)
